DETAILED ACTION

Drawings

The drawings were received on 05/28/2004. Figures 1B' and 1B'' are approved.

Allowable Subject Matter

Claims 1-11 are allowed.

Examiner's Statement Of Reasons For Allowance

The following is a statement of reasons for the allowable subject matter: The primary reason for the allowability of claims 1-11 is the inclusion therein, in combination as currently claimed, of the limitation of a method for fabricating a metal oxide semiconductor field effect transistor comprising inter alia the limitation wherein the line width of the gate structure is reduced by forming a patterned block on the center of the gate structure and using the patterned block as an etch mask. This limitation is disclosed in claims 1 and 8. The limitation found in claims 1-11 is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
